

WALK IN THE WOODS ART FAIR

Dear Artist:

December 16, 2009

I would like to invite you to our **3rd Annual Walk in the Woods Art Fair**, which will be held on June 12th, 2010. The Art Fair will take place outdoors in the park directly behind the St. Germain Chamber of Commerce. If you are not familiar with the area, the Chamber is located at the intersection of State Hwy 70 and 155. The artists will set up in the midst of the many large pine trees that cover these grounds. We hope to build upon the success of last year's event by adding additional spaces deeper into the woods to provide more space for our artists and allow for a few additional ones to be added.

This event, as in the past, will be presented in an upscale manner. Wine will be available from Brigadoon Winery and will be sold by the glass and by the bottle. Sartori Reserve will present an array of fine Artisan cheeses and an assortment of hors d'oeuvres will be available to accompany the wine. Also, live background music can be enjoyed by Bret and Frisk, throughout the day.

The space fee remains at \$50.00 per artist for this event. Artists should bring their own 10x10 tents as this is an outdoor event and we cannot predict the weather.

This is a **JURIED** event. Therefore, we will only accept **HANDMADE FINE ART**. Each applicant will be carefully screened and we will accept only what we consider to be fine art. We have hosted many craft fairs throughout the year, and the purpose of "Walk in the Woods" is to provide an upscale event that our visitors have been asking for.

The event will be widely advertised, including a listing of all participating artists on our website along with pictures of their work and background information (if provided). This will help with the promotion of the event and let people know more about you and your work.

We have received very positive feedback on last year's event and hope that you will choose to help make our **3rd Annual Walk in the Woods Art Fair** another huge success. If you know of other artists who may be interested, please pass this information along to them, however as we said, space is limited. For further details, please feel free to contact me. Thanks for your time and I look forward to hearing from you.
